

CLASSIFIEDS

HAIR TESTING LABORATORY

With thousands of satisfied clients, the Hair Testing Laboratory is leading the way to horse health.

With its unique non-invasive radionics procedures, the Hair Testing Laboratory caters for all types of horses, as well as greyhounds.

Trained consultants can advise you about your horse, its health problems and appropriate feed supplements.

DO YOU LOVE YOUR BROODMARE

Harness Racing Pedigree Matching Service

It's another Group1 runner this weekend for DYLYBM.

I am hoping this good horse can win the Victoria Cup.

If you want help selecting a suitable stallion for your mare, then don't hesitate to contact me, via phone or email.
